# NYM7

New York Metro - Wappingers Falls
CyrusOne Data Center
155 Myers Corners Rd
Wappingers Falls, NY 12590

The **NYM7** data center, located north of New York City and close to I-84, Route 9, and the Metro North Railroad Station, supports the mission-critical, synchronous data replication requirements of numerous businesses along the east coast and New York Metro region.

The 100,000 square-foot facility offers 37,000 square feet of raised white floor, up to 10 MW of power, and 25,000 square feet of work area recovery space. It has redundant power and cooling infrastructure to ensure no single point of failure and state-of-the-art security including 24/7 year round security staffing.

Overview

- 100,000 square feet facility

- 37,000 square feet data center space

- 25,000 square feet work area recovery space featuring dedicated office suites configured per customer requirements

- Carrier-neutral facility with two diverse telco paths that provides dual access to multiple providers for flexible connectivity

- Building and all critical equipment are above 500-year flood zone

- SSAE 18 and PCI compliant
