Summit Park Data Center

35 Summit Park Dr Pittsburgh, PA 15275

DataBank's PIT2 facility anchors our Summit Park Campus with 17 acres and room for two additional data centers. PIT2 is located just 15 minutes from the airport and across the street from a utility-owned substation. Recent enhancements to the facility's power, cooling, connectivity, and security infrastructure make it the premier data center for scalable workloads in the metro.

DATABANK
Data Center Evolved™
Why DataBank?

DATA CENTER EVOLVED™

- The largest footprint of metros and data centers in the U.S. capable of putting your workloads within 50 miles of half the population.

- Colocation, interconnection and cloud services with contract portability to help you avoid lock-in to any one strategy.

- Managed security and compliance services that liberate your staff and secure your data and applications.

- 100% uptime guarantee, hands-on support, and a Portal that gives you unmatched visibility and control of your infrastructure.

Local Service. Boundless Reach.

Our **65+ data centers** are strategically located in **27+ markets** that offer high population densities as well as a concentration of technology business and research universities.

EACH DATABANK FACILITY FEATURES:

- Robust connectivity
- Highly redundant infrastructure
- Priority power grid access
- Strong structural security
- Secondary carrier hotel option
