DATABANK
Data Center Evolved™

Why DataBank?

DATA CENTER EVOLVED™

○ The largest footprint of metros and data centers in the U.S. capable of putting your workloads within 50 miles of half the population.

○ Colocation, interconnection and cloud services with contract portability to help you avoid lock-in to any one strategy.

○ Managed security and compliance services that liberate your staff and secure your data and applications.

○ 100% uptime guarantee, hands-on support, and a Portal that gives you unmatched visibility and control of your infrastructure.

Local Service. Boundless Reach.

Our **65+ data centers** are strategically located in **27+ markets** that offer high population densities as well as a concentration of technology business and research universities.

EACH DATABANK FACILITY FEATURES:

○ Robust connectivity
○ Highly redundant infrastructure
○ Priority power grid access
○ Strong structural security
○ Secondary carrier hotel option
