## Westway Park III Data Center

11003 Corporate Centre Dr, Houston TX, 77041

DataBank's HOU3 data center is located on our Westway Park Campus, 20 mins west of downtown Houston, just off Beltway 8 between I-10 and 290. It provides scalable, redundant power feeds and is located along a major fiber corridor providing access to the fastest and most reliable telecommunications networks in Houston. This strategic location ensures optimal connectivity for businesses seeking robust network infrastructure. With its scalable power and prime fiber connectivity, DataBank's HOU3 data center offers a secure and high-performance environment, meeting the demands of today's digital landscape while fostering growth for tomorrow.
