Granite Point Data Center

14850 S Pony Express Rd Bluffdale, UT 84065

DataBank's SLC5 data center in Bluffdale, UT taps into the unique power and network infrastructure of our Granite Point Campus to create the ideal data center for the high-performance computing. Ample raised flooring, access to multiple carriers and a 66MW sub station make SLC5 the premier colocation facility for hyperscale cloud, content and SaaS in the "Silicon Slopes" region.

DATABANK
Data Center Evolved™
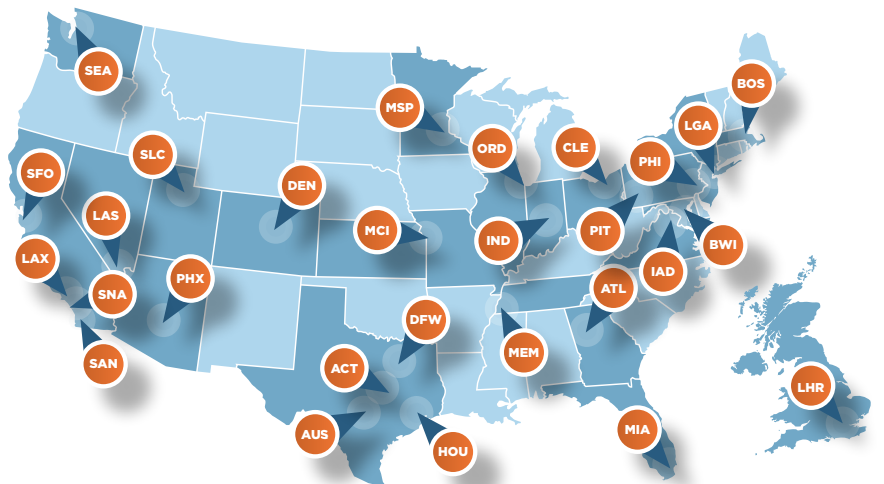

Why DataBank?

DATA CENTER EVOLVED™

- The largest footprint of metros and data centers in the U.S. capable of putting your workloads within 50 miles of half the population.

- Colocation, interconnection and cloud services with contract portability to help you avoid lock-in to any one strategy.

- Managed security and compliance services that liberate your staff and secure your data and applications.

- 100% uptime guarantee, hands-on support, and a Portal that gives you unmatched visibility and control of your infrastructure.

Local Service. Boundless Reach.

Our **65+ data centers** are strategically located in **27+ markets** that offer high population densities as well as a concentration of technology business and research universities.

EACH DATABANK FACILITY FEATURES:

- Robust connectivity
- Highly redundant infrastructure
- Priority power grid access
- Strong structural security
- Secondary carrier hotel option
