## Add 100Mbps Internet to any cabinet bundle for only \$375!

Unlike traditional services through a single carrier, our IP Connect internet solution is fully redundant – meaning you get two cross connects to a blend of two or more top tier internet providers. In addition, you can enjoy the simplicity of managing your connectivity remotely through our customer portal and the flexibility to scale services as your business demands – all on a single bill.

### Eligibility

New customers or customers expanding to another location are eligible. Promotion is only available in supported locations, from available inventory, prices vary per location.

### 100Mb Enterprise-Grade Internet Service Including:

- (2) cross connects to (2) 1 Gbps access ports
- Access to a blend of two or more tier 1 and 2 internet service providers
- Ability to select burstable or fixed bandwidth
- (1) /29 IP address block
- Multiple configuration options including static, BGP or VRRP
- Management via customer portal
- Single bill

Whatever you need, we are here to help.
