

## Data Sheet | 921 SW Washington Street Portland, OR

### Why Pittock Block?

**Pittock Block** is the crown jewel of Portland's downtown area. It is recognized as an important regional IXP hub and a direct subsea cable connection to the Asia Pacific market.

With **16 fiber optic carriers**, **179 other service providers**, and **seven subsea cables** connecting the building's global grade Internet Exchange with low average latency across major U.S. markets, the Pittock Block is a key hub for companies seeking global access.
