Cincinnati, OH 45203

## **H5 Cincinnati: Network & Power in Influential Edge Market**

H5's Cincinnati data center is located at 360 Gest Street in downtown Cincinnati, a Qualified Opportunity Zone.

Cincinnati's top interconnection option is housed within an 80,000 square-foot data center fed by inexpensive, reliable and energy-efficient power from Duke Energy.

H5 Cincinnati is carrier neutral with multiple on-site connectivity options and access to the region's top metro and long-haul fiber providers.

### **Diverse Data Center & Colocation Offering**

360 Gest Street offers a range of solutions for data center users, including turnkey wholesale space and colocation services. Get your data center project to market faster with newly constructed, move-in ready capacity.

## Low-Latency Access to Four Major Midwest Markets

LET'S TALK: 303.714.7802
