# H5 Albuquerque Connects New Mexico to the World

H5's Albuquerque data center is located at 505 Marquette Avenue NW in downtown Albuquerque, a Qualified Opportunity Zone.

New Mexico's top interconnection option is housed within a 225,000 square-foot carrier hotel fed by inexpensive, reliable and energy-efficient power from PNM.

H5 Albuquerque is carrier neutral with 13 on-site connectivity options and direct access to the key Southwestern metro and long-haul network providers such as CenturyLink.

## Diverse Data Center & Colocation Offering

505 Marquette Avenue NW offers a range of solutions for data center users, including powered shell, turnkey wholesale space, and colocation services.

## Newly Constructed Edge Data Center Capacity
