

Kansas City - Lenexa

One of our two state-of-the-art facilities in the Greater Kansas City area, our Kansas City - Lenexa data center is one of 40 facilities across the US and part of a network with guaranteed exceptional performance and low latency connections. We are a trusted provider to thousands of customers across all industries. Our facility can support whether you need a server rack, a full cabinet, or a suite of customized managed services. We have the IT professionals, security specifications, and resilient infrastructure designed to meet your business needs.

Our Commitment

Carrier Neutrality and Redundancy

With our carrier-neutral facility including multiple Tier 1 providers on-net, diversely routed, you get access to the Internet bandwidth and connectivity services of your choice. Multiple, diverse fiber feeds, with dark fiber connectivity also available at our Kansas City - Lenexa facility.

Security

With a company-wide emphasis on security and compliance, our team adheres to strict, well-documented security processes.

Responsiveness and Expertise

All our data centers are supported by IT professionals focused on client success and responsiveness to client requirements. They have the technical expertise and desire to help you achieve your business goals.

Scalability

At TierPoint we scale with you. All our data centers are built to meet growing demands for Disaster Recovery, cloud services, and managed services.

National Reach

One of two enterprise-class TierPoint data centers in the metropolitan area, our Kansas City - Lenexa data center is part of one of the largest and most geographically diverse footprints in the nation. We deliver secure, reliable, and connected infrastructure solutions.

Our Facility

Compliance

Audited under SOC 1 Type II, SOC 2 Type II, SOC 2 + HITRUST, GLBA, HIPAA, PCI-DSS¹, and NIST SP 800-53¹ annually, is ISO 27001 certified², and ITAR and EU-US Privacy Shield³ registered.

Low Latency

Achieve high performance and low latency by having your critical infrastructure closer to your employees and end-users.

Reliability

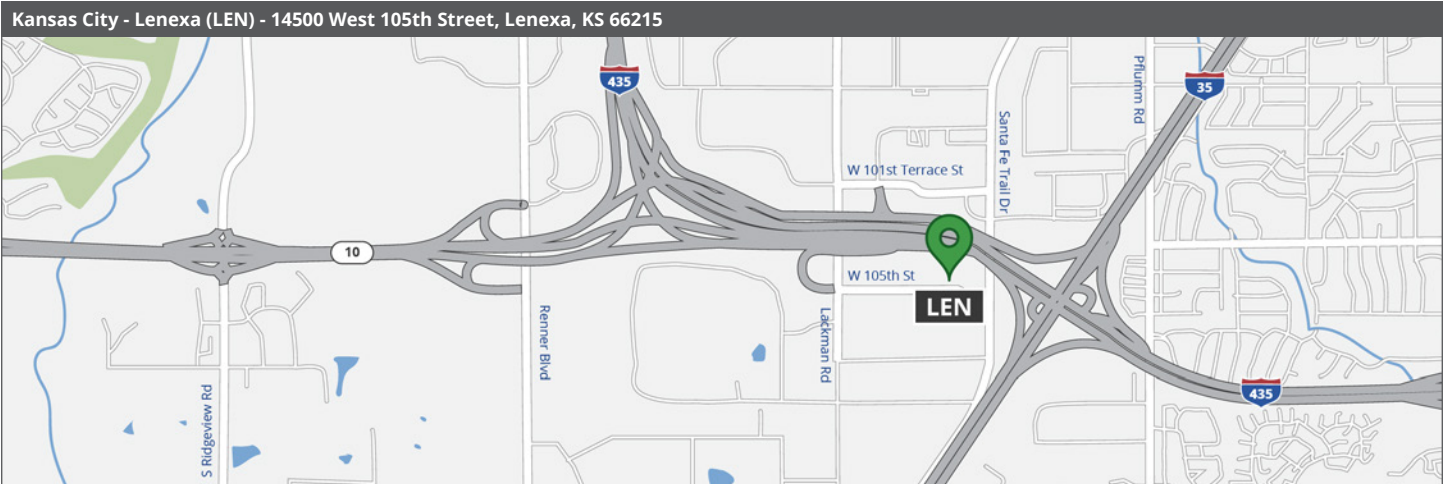

Your IT infrastructure and related components are guaranteed by a 100% uptime SLA, supported by a local, dedicated team of IT professionals who are focused on delivering consistent and superior services.

High-Performance and AI Compute

Our cutting-edge Lenexa facility has been engineered to accommodate your demanding high-performance GPU / AI computing applications, with a capacity of up to 85kw per cabinet supported by a liquid cooling system.

1. Data Center Colocation Services (NIST Moderate baseline). 2. ISMS and data center colocation. 3. EU Standard Contractual Clause/DPA template available.
